Exhibits

(List of exhibits to be insured, specify individual value per exhibit)

I hereby consent to the insurer forwarding data obtained from the application forms or in the course of implementing the contract (on premiums, claims, changes of risk/contract) to other insurers to the extent required for evaluating risks and claims. This consent also applies to the examination of risks for (insurance) contracts for which I apply with other companies or to future applications.

I also consent to the insurers of Allianz Group keeping my general application, contract and insurance data in general collections of data and passing them on for storage to the agent who is responsible for me, insofar as this serves the orderly handling of my insurance affairs.

Exhibitors from countries with which no special agreements on premiums exist are advised to send in the application form in time so that a quotation can be submitted before the risk begins.

Irrespective of separately agreed insurance cover against the risk of theft of all kinds, objects housed on the exhibition site shall only be insured if the exhibition stand is watched during setting up and dismantling and during visiting hours up until the halls close, either by employees of the policy holder or by specially employed guards, and if the exhibition halls are guarded during the night.

My consent is effective only if I have had a reasonable opportunity to note the contents of the insurer's Notice on Data Processing.
